Section II

Instructions: Provide a detailed description of your agency's Community Policing Initiative by responding to the following **key points**. These key points address the Guiding Principles of Community Policing, as well as the Six Pillars identified in the Task Force on 21st Century Policing Report (see Guidelines for Reporting for explanation). Examples of specific programs, initiatives, and partnerships with community groups should be discussed along with any statistics or other relevant information. See *Appendix D: Examples of Best Practices in Community Policing* for your convenience and consideration.

Key Points:

- How community policing is integrated throughout your agency and how your agency incorporates community policing into its daily operation.
- How top management emphasizes or supports community policing within the agency.
- Training your agency has received in community policing and future plans to provide additional or specialized training to agency members to improve interaction with community members or problem solving efforts.
- How crime problems or community issues are identified and the method of communicating any trends with communities the agency services.
- How your agency partners with all segments of the community to prevent crime and address identified community problems. Segments of the community should include residential and business communities, schools, youth, minority groups, hospitals, senior population, faith based organizations, etc.
- How your agency measures the effectiveness of its community policing program.
